

The Houston Area Calculus Teachers AP Calculus Workshop III

Dr. Pete Horton

“An AP Calculus Bouquet”

Saturday, November 13th

9:00 am – Noon

222 Garrison, UH Campus

Pete Horton received his PhD in Mathematics from Texas A&M University and he is currently a Mathematics Professor at North Harris County College. He is well known for his dry sense of humor and his easy style of instruction. Pete’s friends and colleagues refer to him as “the man of knowledge”, and it’s not a joke. He REALLY does know everything. This is one talk you don’t want to miss.

Admission is free.
